

# Tips for gathering your HHW for safe disposal

Seal containers tightly.

Bring items in their original containers inside a sturdy box.

If original container is leaking or damaged, transfer product to a safe container and re-label.

Don't mix products together.

**- PLEASE -**  
**STAY IN YOUR VEHICLE**  
until we speak with you.

**Rechargeable batteries are a fire hazard.**

Please bring rechargeable batteries in separate plastic bags to Bozeman Convenience Site or Logan Landfill during regular business hours. The scale attendants will take them. You can also drop off your batteries at the HHW drop off, Radio Shack, Home Depot (rechargeable batteries only) or Batteries Plus. Please tape terminals on batteries and keep alkaline batteries and lithium batteries separated.

**FREE**  
**HHW Collection**  
9 AM to Noon  
Second Saturday of each month

**GALLATIN COUNTY RESIDENTS**  
No appointment is needed and it is free for residents of Gallatin County.

**BUSINESSES**  
Call Eric at 406.451.1230 to make arrangements.

**LATEX PAINT**  
Latex paint is not considered hazardous. Solidify it with sawdust, dirt, kitty litter, etc. and place in trash.

**E-WASTE**  
Do not bring e-waste to HHW events. It is accepted at Logan Landfill for recycling during normal hours for a fee. Visit [GallatinSolidWaste.org](http://GallatinSolidWaste.org) for a list of other options in the area.

**OTHER OPTIONS**  
The Logan Landfill accepts oil, antifreeze, batteries, triple-rinsed pesticide containers, propane cylinders & tanks during regular business hours Monday through Saturday.

If you cannot get to the HHW drop off, please call 406-451-1230 to schedule an appointment.

**Gallatin County Waste ONLY**
